Welcome to the Compass Classic!

The West Johnston High School Bands & Ensembles are thrilled to host our annual marching band competition again this year! The excitement generated by this type of event is truly a reflection of the hard work and dedication these students have for their art.

This type of event is not possible without the hard work of SO many people. First and foremost, thank you to the participants and directors that have traveled to West Johnston today to compete. You inspire us to new heights! We appreciate our judges that are here to help us all develop and perfect our craft. As always, none of this is possible without our incredible West Johnston Administration, Custodial Services, and general community for supporting this program!

Last, but certainly not least, thank you so much to our Band Parent Association volunteers for making all of this possible. You are truly invaluable to everything we do and you are appreciated beyond words!

Best of luck to all of our participating programs! Let's create artistry together!

On behalf of the WJHS Band Parents Association, we welcome you to the 2023 Compass Classic. We hope that you enjoy your day on our campus. If you need anything, please look for someone in a West Band shirt - we will be happy to assist you.

Thank you for supporting the bands in attendance today. Please take a look at the Spectator Etiquette section in our program and help us to cheer on the bands in performance. These groups have worked exceptionally hard to get their performance ready and deserve all of our applause. We also want to thank the visiting directors, band parents, pit/prop crews, and chaperones; without you, these amazing students would not have experiences like today. We wish everyone the best of luck today and in future competitions.

We would also like to thank West band staff, parents, students, and alumni for their support. Thank you for all you do for the band program at West!!

SPECTATOR ETIQUETTE

Find your seat quickly once a band enters the field. The walkways will be closed once a band begins their performance.

Please do not talk or use your cell phone during performances. Set your phone to vibrate, "Do Not Disturb," or turn it off completely.

Applaud for every band! Hearing this simple gesture is often a student's greatest reward for their hard work and dedication to their performance.

Thank you!

AWARDS & SCORING

Total Scores are based on the following percentages:

Music Performance Individual + Ensemble | 20%

Music Effect | 40%

Visual Performance Ensemble | 20%

Visual General Effect | 20%

Percussion, Color Guard, and Drum Major Awards are scored separately and are not calculated into the total scores.

The eight bands with the highest scores, regardless of class, will perform in Finals.

Compass Classic offers the "New Direction" Award at the conclusion of the night, a custom glass trophy presented to the band that the judges feel is taking this sport in a whole new direction.

Anthony and his wife went the extra mile to help my family as we were traveling through North Carolina and our car broke down. He is a very honest, intelligent, and kind mechanic that got us back on the road in record time at a more than fair price!
